Meeting Minutes

Demo: Tracking Building Permits – Kyle, Shakopee

I. Ortho Aerial Imagery – Jim B on behalf of Jim H

- a. Hentges plans to send out RFP in late Jan/early Feb for a product similar to the 2007 ortho photos; price expected to be similar (approx. \$60,000)
- b. Planimetric data will not be included; entities can obtain this individually if needed (cost for whole county is approx. \$60,000); data might be obtained as a group again in 2013
- c. **Hentges will contact all entities to discuss participation**

II. Pictometry (Oblique Imagery) Self-Hosting – Jim B

- a. Scott Co is on the waiting list for installation by Pictometry (sometime soon)
- b. Use Pictometry On-Line in the meantime
- c. **Contact Jim to get a log-in if you would like to use the application**

III. Trust Parcels / PID's – Jim, Jen, Kyle

- a. Need to obtain the parcel data before PID's can be assigned [*post-meeting note: PL planner contacted Shawn Kelley to see what data could be provided*]

IV. Easements Recorded in 2009 – Jen

- a. These were to be created with the parcels, at the time of plat during the year
- b. Hentges will start working on it and give the group an update
- c. **Email Hentges your easements that were recorded separately from a plat**

V. Other business as brought up by members

- a. Parks data model being created by the NRPA; comment period through 2/5; more at <http://www.nrpagisdata.org/>; Shakopee and New Prague track a lot of park info with GIS
- b. Pictometry On-Line brief demo by Jim – see item II above for more info
- c. Taxation data should be updated on-line soon through Quick Map and Prop Info Search (text version); currently it is from June 2009
- d. CarteGraph (asset / work order management) user group meeting at Shakopee 1/21/10
- e. **April GIS Showcase Demo: Ken – Parks in GIS in New Prague**
- f. **July GIS Showcase Demo: Doug – MnDOT GIS**
