### **Prior Lake Seeks Participants for its 2030 Visioning Process on March 11**

Whether you're 16 or 96 years old, a business person or a senior citizen, an educator or a student, whatever your role is in this community, you have an enormous stake in keeping Prior Lake a wonderful place to call home. That is why the City of Prior Lake would like to see you join its Long-range Planning Committee and help update and advance the City's 2030 Vision and Strategic Plan on Wednesday, March 11. We need your leadership to help define where we go from here.

The Prior Lake 2030 Vision and Strategic Plan, which the Prior Lake City Council uses in its policy decisions and city staff uses as a guide toward accomplishing its specific goals and objectives, has been refined three times since its inception in 2002, keeping it vital and forward-looking. It has been the pivotal force in turning Prior Lake into the community that its residents and businesses want to call home. For a copy of the 2030 Vision and Strategic Plan, visit [www.cityofpriorlake.com](http://www.cityofpriorlake.com) or call Communications Coordinator Michael Peterson at (952) 447-9804.

Take advantage of this thought-provoking and engaging discussion on Wednesday, March 11 from 5:30 to 10 p.m. and join the committee. It will meet at the Wilds Golf Club, 3151 Wilds Ridge NW. With an estimated population of 22,000, the city is projected to be a fully-developed community of 40,000 by 2030. Prior Lake's 2030 Vision and Strategic Plan is dedicated to providing quality services resulting in a safe, secure community. Prior Lake is a wonderful place to call home.
