### Planning Commission and Advisory Committee Volunteers Sought

The City of Prior Lake is seeking applications from residents interested in serving on the Prior Lake Planning Commission or one of its other six advisory committees. Advisory committees provide input to the City Council and membership is voluntary. The City Council considers advisory body recommendations, but advisory bodies do not have policy-making power.

Those interested can download an advisory application form online at [www.cityofpriorlake.com](http://www.cityofpriorlake.com) which includes information about each advisory commission and committee. Applications can also be requested from Charlotte Green at (952) 447-9803, or at City Hall, 4646 Dakota Street in Prior Lake. Applications will be accepted through Friday, Sept. 25, 2009 at 4:30 p.m.

The City of Prior Lake's Advisory Committees include:

- The Planning Commission
- The Parks Advisory Committee
- The Lakes Advisory Committee
- The Economic Development Advisory Committee
- The Communications & Technology Advisory Committee
- The Community Safety Advisory Committee
- The Traffic Safety Advisory Committee

Advisory body members may invest 10 to 40 hours per month; and occasionally an advisory body may be appointed to investigate a specific issue. Members are expected to review agenda materials prior to meetings, visit locations if applicable, make positive contributions at the meetings and attend a minimum of 75% of the meetings.
