### **BlueXpress to Add New Bus and New Routes for New Year**

BlueXpress purchased a new bus through the Jobs Access Reverse Commute (JARC) Grant. This grant provides more outbound service for residents of Minneapolis who work in the Prior Lake/Shakopee area. The bus has the added benefit of providing additional service from Prior Lake/Shakopee to downtown Minneapolis. The new bus goes into service on Monday, Jan. 3, 2011.

In addition to its regular service, BlueXpress now offers two new morning inbound routes and two new afternoon outbound routes. There will also be four reverse commutes from downtown Minneapolis to Southbridge Crossings Transit Station in the morning, and four reverse commutes from Southbridge Crossing Transit Station to downtown Minneapolis in the afternoon. BlueXpress is also pleased to offer a midday route from Southbridge Crossings Transit Station to downtown Minneapolis and back.

New bus schedules are available on the BlueXpress website at [www.blueexpressbus.com](http://www.blueexpressbus.com). Printed schedules will be available from the bus drivers and at usual locations as of Tuesday, Dec. 28.
