PROCEDURE FOR AN APPLICATION TO APPEAL A DECISION OF THE PLANNING COMMISSION TO THE CITY COUNCIL

Overview: When a person objects to the decision of the Planning Commission/Board of Adjustment in cases of Variances and Conditional Use Permits, an appeal to the City Council is required. Specific requirements apply to who can apply for appeals. Section 1109.400 of the Code (see below) sets forth the procedure and requirements for the review of appeal requests.

Appeal: The decision of the Planning Commission/Board of Adjustment may be appealed to the City Council by submitting a letter to the City requesting an appeal within 5 business days of the Planning Commission/Board of Adjustment public hearing. The applicant, property owner or any affected owner or property within 350 feet of the site may appeal the decision of the Planning Commission/Board of Adjustment. Appeals are considered by the City Council following a public hearing before the Council. Upon receipt of an appeal, the City Staff will schedule a public hearing, publish notice of the hearing in the *Prior Lake American*, and notify owners of property within 350 feet of the site.

City Staff will assist applicants if they would like to use the overhead monitors with digital or paper exhibits at the public meeting. Any additional exhibits submitted by the applicant (at the hearing or prior to the hearing) such as photographs, petitions, etc. must be entered into the public record and submitted to the C.E.D. Department for the file.

1109.400: *APPEAL TO THE CITY COUNCIL. Any owner of affected property or any owner of property situated wholly or partly within 350 feet of the affected property or any officer or department representative of the City may appeal the decision of the Board of Adjustment to the City Council. The appeal must be in writing and must be filed with the Zoning Administrator within 5 business days after the date of the Board of Adjustment decision. The required fee shall be paid when the appeal request is filed. When an appeal is received by the City, the applicant will be notified of the date and time the City Council will hear the appeal. No appeal will be heard until all owners of property within 350 feet of the subject property are notified of the date scheduled for the appeal hearing. Notice shall be provided in the manner set out in subsection 1109.200. The City Council shall hear the appeal within 30 days of the filing of the appeal unless that period is extended with consent of the appellant. The City Council may uphold the decision of the Planning Commission, or where applicable, acting as the Board of Adjustment, may affirm the decision of the Planning Commission or Board of Adjustment. The City Council may reverse a decision of the Board of Adjustment by an affirmative vote of the majority of its full membership. The City Council shall render a decision within 30 days of the conclusion of the appeal hearing.*
