

# **COMMUNITY SAFETY TASK FORCE**

**Report to the City Council**

**June 16, 2008**

## Prior Lake Area Community Safety Task Force

I received 27\* replies to the survey. The number in the column to the left shows how many of those replies included this issue and the numbers to the right of the issue are the actual importance assigned by the respondents.

7	Active Neighborhoods	3,2,4,5,4,1,2
14	Alcohol	2,2,4,1,1,4,4,5,1,1,5,5,1,5
3	Background Checks	4,2,2
9	Bullying/ Harassment	2,3,2,5,2,3,4,3,4
1	Dangerous Dogs	1
2	Deteriorating Neighborhood –“Broken Windows”	3,2
9	Domestic Violence	5,2,3,3,X,5,4,4,3
19	Drugs	3,5,2,4,3,2,3,3,5,1,2,4,2,2,2,3,4,5,3
2	Gangs	4,4
2	Identity Theft/Fraud	1,4
1	Jet Skis/High Power Boats	5
1	Lack of Exercise	5
2	Neighborhood Watch	5,5
1	Pandemic	3
12	Predatory Offenders	3,3,1,5,4,1,2,5,X,3,4,5
18	Protecting Our Kids	4,1,1,1,1,3,1,4,1,3,X,5,1,1,1,3,3,1
0	Purse Snatch	
5	School Violence	1,2,4,4,2
6	Sexual Abuse/Abduction	4,4,2,3,3,X
1	Sexual Activity	5
4	Social Host Ordinance	5,1,2,1
1	Teen Suicide	X
5	Theft From Vehicles	5,1,2,5,4
2	Tobacco	2,3
9	Traffic/Driving/Accidents	1,4,2,5,5,3,4,1,2
3	Truancy	3,5,2

\* 27 replies were received. One only marked the top 4 choices and one indicated five choices with an “X”.

## Weighting

I don't pretend to remember statistical analysis but if we do some sort of rudimentary weighting with #1 = 5 points, #2 = 4 points, #3 = 3 points, #4 = 2 points, and #5 = 1 we would have a ranking that looks like the left column below. The column on the right lists them from top to bottom by the number of times they received any sort of value on a survey.

<u>Issue</u>	<u>Weighted Total</u>	<u>Issue</u>	<u># of times on survey</u>
Protecting our Kids	67X	Drugs	19
Drugs	56	Protecting our Kids	18
Alcohol	43	Alcohol	14
Predatory Offenders	30X	Predatory Offenders	12

# Prior Lake Community Safety Task Force Substance Use and Abuse Subcommittee

May 8, 2008

Subcommittee Members:

Janine Alcorn  
Pat Ciliberto  
Gina Gertner  
Peggy Johnson  
Linda Ringstad

# Agenda

- Definition of the Issue
- What is currently being done
  - Schools
  - Community
  - Scott County
- Subcommittee Recommendations

## **Definition of the Issue**

The Substance Use and Abuse subcommittee is interested in changing acceptable attitudes in our community towards underage and illegal use of alcohol, tobacco and other drugs and to create awareness of the impact of such behaviors as it relates to the well being and safety of all citizens in our community.

## What is currently being done

- **Schools**

- Alcohol Decisions – Five Hawks 4<sup>th</sup> Grade
- DARE (Sponsored by Prior Lake Rotary Club)
  - 1<sup>st</sup>, 3<sup>rd</sup> and 5<sup>th</sup> Graders in all elementary schools other than Glendale
  - 7<sup>th</sup> Grade DARE Classroom Instruction
  - 7<sup>th</sup> Grade DARE Activity Night & Dance
- Project ALERT (prevention program similar to DARE) 5<sup>th</sup> Graders at Glendale
- S.P.I.R.I.T Players – productions and processing on substance abuse prevention at some elementary schools during Chemical Health Week
- Climb Theatre – sponsored by Scott County Meth Task Force
  - “Shattered”
  - Residency on substance abuse prevention in classrooms at some elementary schools
- ISD 719 Chemical Health Department
  - Chemical Health Licensed Alcohol & Drug Counselors
  - Parent Facilitator
    - Janine Alcorn
      - Guiding Good Choices: Workshop series for parents for prevention of Alcohol, Tobacco & Other Drugs used by youth ages 9 – 14
      - Project Alert Certified
      - Organize Parent Info Events in conjunction with Community Education – Topics include risky behaviors/behavior modification & teenage depression
  - MSS Data Committee
    - Analyzed 2007 Minnesota Student Survey Data results
    - Highlights of report were published in local newspaper & presented to school board
  - Chemical Health & Violence Prevention Advisory Committee

- Connects school to community, awareness on related issues, grant updates/reviews
- **Community**
  - City of Prior Lake
    - Community Safety Task Force
    - Prior Lake Law Enforcement
      - Compliance checks at local establishments that sell/serve alcohol and/or tobacco products
      - Citizens Academy
        - Controlled Drinking exercise
      - Source of additional data for identifying alcohol/tobacco issues in the city
  - Service Organizations
    - Prior Lake Rotary DARE Committee
      - Funds DARE program for all 1<sup>st</sup>, 3<sup>rd</sup>, 5<sup>th</sup> and 7<sup>th</sup> graders
      - Funds Project ALERT for Glendale 5<sup>th</sup> Graders
      - DARE & Project ALERT Essay Contest Prizes/scholarships
      - DARE Bike-a-thon
      - DARE Officer training & 2 DARE Squad cars
      - Provides resources for Police Liaison at Middle School
      - Funds various Parent Education/Information Nights & Events, such as Dr. David Walsh, Chemical Health Week Parent Info Night in Nov.
      - 7<sup>th</sup> Graders DARE Activity & Dance Night
      - Funds various Drug & Alcohol related programs at PLHS
      - Signage at Schools for "DARE" Awareness
    - Prior Lake Optimists
      - Funding resource for many student programs, such as Excel Mentoring program, SPIRIT Players at Prior Lake High School and many other programs district wide
      - Youth Appreciation Annual Event
    - Prior Lake Lyons
      - Additional Funding resource
    - Prior Lake Chamber of Commerce
      - What kind of partnering can they provide in initiatives?
    - Prior Lake Savage Area Educational Foundation
      - Funding resource for various programs district wide

- **Scott County**
  - Meth Task Force
    - “Shattered” play at middle/high schools/parents in 06-07
    - Source of additional data to identify current issues as it relates to alcohol & tobacco issues in Scott County

## **Substance Use and Abuse Subcommittee Recommendations**

1. Social Host Ordinance
2. Climb Theatre
3. Alcohol/Tobacco Advertisements
4. Minor Consumption Policy
5. Blood Alcohol Content Awareness

## **Social Host Ordinance**

- Social Host liability refers to laws that hold non-commercial individuals responsible for underage drinking events on property they own, lease or otherwise control.
- One can be liable as a social host even if the host does not furnish the alcohol to underage persons.
- Social host laws prohibit the host from providing a location for a gathering of underage persons who possess or consume alcohol.
- There are six cities and one county in Minnesota that have adopted a Social Host Ordinance.
- Types of Social Host Laws
  - Type 1: State Social Host Criminal Statutes - Social host criminal liability involves a state statutory misdemeanor violation, enforced by the state through criminal prosecution and leading to criminal sanctions including possible imprisonment.
  - Type 2: State Social Host Civil Statutes – A civil lawsuit is filed against social host by person injured by guest whom host had allowed to consume alcoholic beverages on host's property. Based on state's negligence statute or prior court decisions, jury/judge decides whether host should pay money damages.
  - Type 3: Municipal Ordinances – Liability occurs at the level of local government in the form of municipal (city or county) ordinances.

## **Climb Theatre**

- The subcommittee proposed to Climb Theatre the creation of a program for all 6<sup>th</sup>, 8<sup>th</sup> and 9<sup>th</sup> graders in the Prior Lake area concerning the gateway drugs: alcohol, tobacco, and prescription drugs (Much like the current "Shattered" program offered to 7<sup>th</sup> Graders).
- Climb Theatre quoted price: \$6,300.00 for program during 2008-09 school year.

## **Alcohol/Tobacco Advertisements**

- The Prior Lake Safety Task Force Substance Use and Abuse Subcommittee recommend that the use of alcohol or tobacco ads at public venues in Prior Lake be limited to reduce exposure of these items to youth.
- The video “This Place.” that is playing on the local access channel shows how the use of alcohol and tobacco advertisements is commonplace in public settings (arenas, stadiums, billboards, etc...) and has contributed to societies views that drinking and tobacco use are socially acceptable and normal. When the youth in America see these advertisements they could buy-in to the promises of the ads. For example: one billboard on “This Place.” showed a fit women’s bare mid section advertising some brand of alcohol. Some impressionable teenagers or kids might get the idea that using alcohol or tobacco will help them be fit or attractive.
- The video “This Place.” is approximately 15 minutes long and could be used in the following ways to alert parents, guardians, teachers, caregivers, etc... of the dangers of alcohol use:
  - Show the video to caregivers prior to DARE graduation and Project Alert graduation
  - Hold a Parent Info Event showing the video and discussing it after the video is over
  - Have the video running during school conferences

## **Minor Consumption Policy**

- Encourage Scott County judges and officials to modify the current policy around issuing minor consumptions such that a minor that is receiving their second minor consumption would have to attend alcohol counseling sessions with their parent(s)/guardian(s).
- The current policy that is in place has minors attend alcohol counseling sessions after they receive their third minor consumption. The minor/their parents only have to pay a fine for the first two received minor consumptions.
- Hennepin County has implemented a similar policy.

## Blood Alcohol Content Awareness

- Most adults do not know when they are over the Blood Alcohol Content (BAC) legal limit.
- The Prior Lake Police Department should hold awareness sessions of what the physical/mental effects of being over the legal limit are.
- Some ideas of these sessions include:
  - A booth at public events (such as Lakefront Days) where the police department would administer breathalyzers to anonymous volunteers
  - Use the Fatal Vision Goggles at public events to illustrate the impact of having certain BAC levels
  - Purchase and use intoxiclock® by Innocorp, Ltd. to educate citizens about impairment and B.A.C. The computer system illustrates how factors such as time, weight, gender and the number of drinks all play a role in a person's impairment level and B.A.C.
  - Provide hand outs at public events. Some examples of these hand outs include:
    - Describe the effects of being over the legal limit
    - How many drinks can typically be consumed by men/women before they are over the legal limit
    - What factors impact a BAC level – type of alcohol consumed, amount of alcohol consumed, body weight, food intake, etc...

# PRIOR LAKE COMMUNITY SAFETY TASK FORCE

## PREDATORY OFFENDER SUBCOMMITTEE

### Subcommittee Members

Therese McCoy  
Jeanne Andersen  
Susan Hadley  
Betsy Jader  
Amy Donaldson

## **ISSUE DEFINITION**

The public at large fears the predatory offender they hear about. They need to understand that there are far likelier impacts on their life from the offenders they do not hear about. We need to educate the community about all of the risk and help them devise ways to deal with those issues so that they can continue with the work of daily living.

## **WHAT IS BEING DONE?**

Not much is being done in our community. What is done is sporadic and to a limited group. There is no consistency.

# WHAT SHOULD BE DONE?

## Community Education

Review resources and formulate and implement a plan

- Website – safety awareness, internet safety
- Brochures
- Community education events/activities/training
- Email system –“blasts”, “notes from the Chief”

## Central Background Checks

Structured Task Force – ID organizations that need membership (school, PLAY, soccer, etc.)

- Oversee education efforts
- Provide guidance to organizations
- Maintain resource information
- Small sub-groups for specific tasks (i.e., community group at Level III advisory meeting)

SCALE – grow the process

# Prior Lake Community Safety Task Force Active Neighborhoods Subcommittee

June 2, 2008

Subcommittee Members:

Kyle Haugen  
Santee Wright  
Ken Hedberg  
Ron Nicolas  
Lester Morris

# Agenda

- Definition of the Issue
- What is currently being done
- Subcommittee Recommendations

## Definition of the Issue

The Active Neighborhoods subcommittee is interested in strengthening and maintaining small town values as we grow to 40,000 - 45,000 residents over the next 20+ years. Benefits of addressing this problem:

- Safety & security in our neighborhoods
- More & stronger friendships and connections
- More active youth programs in neighborhoods leads to less destructive behavior
- Clearer & stronger connection of neighborhoods & their residents to the life of the City
- Source of neighborhood- and city-wide communications

## **What is currently being done**

- **Neighborhood Associations – over 50 currently in Prior Lake**
  - Homeowners' Associations
  - Neighborhood Associations for common recreational lots, beaches
- **National Night Out**
  - 16 – 18 groups gathered last year, with about 800 participants
- **Neighborhood Watch**

## **Active Neighborhoods Subcommittee Recommendations**

1. Neighborhoods Week, leading to
2. Neighborhood Olympics at Lakefront Days
3. Neighborhoods pages on [www.cityofpriorlake.com](http://www.cityofpriorlake.com)
4. Council Connections - representation to neighborhoods

## **Neighborhoods Week**

- Coincide with National Night Out
- Promote Neighborhood Block Parties, National Night Out, and other activities during one weekend in early-mid Summer
- Conduct, include activities leading to Neighborhood Olympics

## **Neighborhood Olympics**

- Schedule competition among participating neighborhoods at Lakefront Days
  - Races
  - Neighborhood Beautification
  - Etc. ??

**[www.cityofpriorlake.com](http://www.cityofpriorlake.com)**

- Make the city website available for neighborhood groups to set up their own websites, for identity, information-sharing, promotion of neighborhood events, and reporting best practices and innovations in neighborhood programs

## **Council Connections**

- **Creating/supporting a program around neighborhood outreach / in-reach that might have some or all of the following features:**
  - **City offers support to neighborhood groups in safety, social events, conservation & beautification (a menu of defined, available programs)**
  - **City facilitates communication among neighborhood groups on programs, lessons learned, etc.**
  - **Councilors establish enduring, at least annual commitments to be liaison, promising to: visit with neighborhood group to provide 2030 Vision & Strategy update, serve as point of contact for neighborhood concerns**
  - **Neighborhoods agree to create a 'formal' organization if one doesn't already exist, with a spokesperson/coordinator/leader of the neighborhood group**
  - **Neighborhood agrees to provide at least one participant in the periodic long range planning process (every 18 - 24 months)**
  - **Neighborhood agrees to share program ideas, experiences, and lessons learned with City staff and other neighborhood groups**

# COMMUNITY PUBLIC SAFETY TASK FORCE

## BULLYING/HARASSMENT SUBCOMMITTEE REPORT

### Subcommittee Members

Tim Bell  
Maureen O’Hehir  
Randy Geister  
Kitty Merrill  
Arch McCord

## **THE ISSUE:**

**Bullying and harassment prevention and education have been identified by the Task Force members as a high priority need for our community. As part of the 2030 Vision, it is our role to identify and inform the community about what is being done and what can be done to eliminate bullying and harassment from our community.**

## **What is being done in the community/schools at this time:**

### **Schools:**

- ✓ Youth Frontiers day retreat on RESPECT for 7<sup>th</sup> grade in October
- ✓ CLIMB theatre classroom presentations on Getting Along with Others for 6<sup>th</sup> grad and Cyber-bullying for 8<sup>th</sup> grade in October
- ✓ Primetime (homeroom) – for all grades throughout the year: videos and lessons from guidance staff and Peer Educators on issues of Respect, Tolerance, Bullying, Harassment, etc., leading into small group discussions for students
- ✓ Peace, Love and HOPE week in February – week activities focusing on positive community building
- ✓ DARE program for 7<sup>th</sup> grade health classes. DARE instruction in grades 1, 3, 5 discusses respect of self and others as part of its curriculum
- ✓ Principal, Dean of Students and/or Police Liaison meet with students in assembly format once per trimester to review disciplinary guidelines and expectations
- ✓ Student Handbook includes policy on bullying and harassment – we require all students to return a form signed by them and parents that this policy is understood. We follow up with kids who don't return it, discuss it with them and have them sign the form at school
- ✓ We try to do a lot on the prevention aspect of bullying and harassment
- ✓ Responsive Classroom Philosophy and using the C.A.R.E.S. attributes helps
- ✓ 4<sup>th</sup> graders at most schools attend a Youth Frontiers Kindness Camp each year which promotes community building, trust, respect for each other. The 4<sup>th</sup> graders also present at the all-school meeting following their camp
- ✓ Our sessions on good touch/bad touch and sexual harassment from Safe Spaces also touches on bullying and harassment. (All buildings participate thanks to a grant)
- ✓ Our elementary assembly committee tries to pick out assemblies each year that discuss bullying. Climb Theatre, Ronal McDonald, Critters and Company are among the

programs that give specific steps for students to follow if they were being bullied or see others being bullied.

- ✓ SOS (Students Offering Support) at the high school
- ✓ Peer Mediation at all levels teaches students how to peacefully work out conflicts in their lives
- ✓ Spirit Players at the high school perform different skits/vignettes on topics of concern at all levels
- ✓ Family Safety Fair at St. Michael's for ages 3 – 9
- ✓ Out of Harm's Way curriculum used at one parochial school
- ✓ District and private schools have comprehensive policies dealing with bullying, harassment in any form, and no tolerance behaviors

### **COMMUNITY:**

- ✓ PLAY coaching training and Pledge Program
  - ❖ Acceptable
  - ❖ Responsible
  - ❖ Safe
- ✓ Parent volunteer to help with off the field behaviors before and after practice
- ✓ Aspects of fair play are emphasized in the Pledge Program
- ✓ Summer Recreation Program workers are instructed in management activities, stranger identification, and crowd control
- ✓ Community Services programs for students and adults
- ✓ Safe Haven has no tolerance policy on bullying and harassment
- ✓ Church efforts are on-going with congregations, out-reach programs
- ✓ Crime prevention/community safety educator role
  - ❖ Child passenger safety presentations and car seat checks
  - ❖ Personal safety tips for children and adults
  - ❖ Neighborhood watch/block clubs
  - ❖ Senior safety presentations
  - ❖ Home/business safety surveys
  - ❖ Assistance in coordinating National Night Out neighborhood programs
- ✓ Community Education
  - ❖ Adult education seminars, workshops offered
  - ❖ Speakers have been promoted, brought to the district
  - ❖ Continued efforts to lead in the area of adult education

## **What else can be done?**

- ✚ Increase the common language from schools to the community resources that work with students.  
Example: Is your action respectful, responsible and safe?
- ✚ PLAY coaches groups: Invite school resource officers to meeting to give school insight
- ✚ Community Cultural Awareness for our ever-changing community
- ✚ More information on cyber-bullying to gain common knowledge, awareness, ways to combat
- ✚ Continue with adult/parent education on bullying and harassment
- ✚ More education information in the print media of the area written by experts in the area of bullying and harassment
- ✚ Police Notes, school counselors, ministry members, etc.
- ✚ Free space given by media in local publications
- ✚ Try to involve the uninvolved
- ✚ Tolerance of diverse abilities, special needs
- ✚ Neighborhood Bill of Rights
- ✚ Police Resource Officer offers classes on NETSMART, safe internet usage (Starting June '08)

# COMMUNITY SAFETY TASK FORCE

## TRAFFIC/DRIVING/ACCIDENTS SUBCOMMITTEE REPORT

### Subcommittee Members

Woody Spitzmueller

John Vaughn

Scott Johnson

Jeff Peer

Bryan Fleming

Curt Fondrick

## DEFINITION OF THE ISSUE

**Raise awareness, change attitudes and positively impact behaviors to reduce the number of traffic accidents and resulting injuries in the City of Prior Lake**

## What is already being done?

### **Scott County Safe Communities Coalition**

This group focuses on changing risky behaviors: drinking/driving, not using seat belts, etc. Group includes government, law enforcement, schools, public health, hospitals, churches, AAA, MADD and businesses. Efforts presently supported include:

- Seat Belt Challenge
- Infant Car Seat Safety program
- Mock car crashes (Shakopee and Belle Plaine HS this year)
- Fatal Vision Goggles
- Impaired Driving/Designated Driver
- Motorcycle Safety/ “Start Seeing Motorcyclists”
- Underage Drinking/Driving/Distracted Driver
- ZAP – Zero Adult Provider
- Safe and Sober/Night Cap (law enforcement)
- Buzzed Driving (law enforcement)

Group is supported by a grant from the MN Dept of Public Safety/Office of Traffic Safety. Funding is tied to drinking and driving awareness.

ISSUES: Scott County was in the top 10 deadliest counties (traffic accidents) ... now ranked out of top 13 (Dr. Wilcox report). MN ranked number 1 in nation in fatal teenage accidents from 2004-2006.

### CONTACTS:

Angie Lefebvre, Scott County Public Health 952-496-8767

Linda Schwichtenberg, Scott County Public Health 952-496-8338

Sheriff Kevin Studnicka, Scott County

### **Wisconsin Model “Graduated Licensing System”**

Teen driving restrictions – in Wisconsin, teens make up about 6% of drivers, but account for about 16% of crashes in state! Assume statistics in MN are similar.

Legislature: Wisconsin Model – basic concept is that over time young drivers develop behind the wheel skills. Beyond Drivers Education, an additional 30 hours of adult supervised driving practice including 10 hours after dark. Also, restrictions on 16-17 year olds until 9 month probationary period is satisfied or they turn 18:

- No driving from midnight to 5 am (some exceptions)
- No passengers except immediate family; instructor, or one non-family member
- Probation is extended if restrictions are violated; or gets moving violation or license suspended/revoked

## **WHAT ELSE CAN BE DONE?**

**Prior Lake/Savage ISD 719** partner with the Scott County Safe Communities Coalition; implement the youth safety initiatives to improve driving behaviors here in Prior Lake

**City of Prior Lake** “Slow Down – Save Money – Save Lives” campaign

**Prior Lake HS** – Adopt the Safe Communities form for parents/student pledge to follow safe driving behaviors (seat belt, obey speed limits, avoid distractions, etc.)

**Prior Lake HS** – Require pledge for issuing parking permit (violation results in loss of privilege)

### **Citizens/City of Prior Lake/State**

- Lobby legislature to make wearing seat belts a primary offense
- Lobby legislature to adopt the Wisconsin model for Graduated Licensing System for 16/17 year old drivers

**Health Insurers/Legal Community/City/County**

“Drive Alive” Campaign (Parents talking with teens, resources, statistics, education and intervention, etc.)

<http://www.allencountydrivealive.org>

“Allstate Program”

<http://www.allstateteendriver.com>
