### **Water Main Replacement Under County Rd. 21 Results in Quincy St. SE Closure**

The City of Prior Lake has contracted to replace the water main in and under County Rd. 21 (Eagle Creek Ave.) from Quincy Ave. SE to Eau Claire Tr. NE. As a result, Quincy Ave. will be closed until early November.

The City of Prior Lake will be working with Ellingson Companies of West Concord, Minn. to replace the water main and Quiring Excavating to make connections to the newly drilled plastic water main with existing water mains and services.

During construction there will be shut downs to water mains in the area. Area residents are notified before any shut down of service.

For more information, contact the Prior Lake Public Works Department at (952) 447-9830, or Street and Utilities Supervisor Craig Eldred at (952) 447-9891.
