

# SCOTT COUNTY WORKSITE WELLNESS COLLABORATIVE

JOIN NOW!

## WHO

Open to all: Any organization in Scott County interested in learning more about worksite wellness initiatives.

## WHAT

A **FREE** group consisting of worksites who meet quarterly to network and learn about various wellness topics. Facilitated by Scott County Public Health staff through the Statewide Health Improvement Partnership (SHIP). Free consultation, along with tools and templates are provided to ensure success with wellness projects.

## WHY

A worksite wellness program can lead to increased productivity, decreased absenteeism, improved recruitment & retention, and builds employee morale.

**\$1000 GRANTS AVAILABLE FOR PARTICIPATION**

**NEW COLLABORATIVE STARTING JANUARY 2019!**
