

# SUPPORT PRIOR LAKE YOUTH ATHLETICS & OUR PARKS!

- Advertise your business or organization to thousands of Prior Lake residents, families and visitors at Veteran's Field in Memorial Park.
- Help support youth athletic teams and facilities in Prior Lake.
- Show your pride in Prior Lake!

Veteran's Field is host to more than 125 baseball games annually. For a small investment, your business or organization can proudly advertise its support for the Prior Lake community and its youth athletics to players, coaches, families and fans at every game.

This athletic field advertising signage program was developed through a partnership between Prior Lake youth athletic organizations and the City of Prior Lake. The purpose of the program is to raise funds through advertising that support both our youth athletic teams and the facilities and parks in which they play.
