PROCEDURE FOR AN AMENDMENT TO THE COMPREHENSIVE PLAN LAND USE MAP

Overview: When a person wishes to use property for a purpose that is not permitted in the existing zoning classification, that use can only be permitted if the property is rezoned. The zoning of a property must also be consistent with the Comprehensive Plan Land Use Map designation. If a person is proposing a rezoning inconsistent with the Comprehensive Plan designation, the Comprehensive Plan Land Use Map must also be amended. A copy of the Comprehensive Plan Land Use Map is available for review or purchase from the City's Community Development Department.

Pre-application Procedure: Before making application for an amendment to the Comprehensive Plan Land Use Map, persons are encouraged to meet with a member of the Community Development Staff to discuss the following:

- City plans and policies that might relate to or affect the property.
- Preliminary development or building plans for the property.

If a decision is made to proceed after the advisory meeting or meetings, a formal application is made. *The Community Development Staff also suggests the applicant hold a neighborhood meeting prior to the public hearing to discuss plans for the property.*

APPLICATIONS AWAITING ACTION ON A COMPREHENSIVE PLAN AMENDMENT: NO REQUEST FOR A ZONE CHANGE FOR A PROPERTY AFFECTED BY A PENDING REQUEST FOR A COMPREHENSIVE PLAN AMENDMENT SHALL BE PROCESSED UNTIL THE CITY COUNCIL TAKES FINAL ACTION ON THE COMPREHENSIVE PLAN LAND USE MAP AMENDMENT.

Process: Within ten (10) business days of submission of the application, the applicant will receive formal, written notice from the City about whether the application is complete. Within 30 days of receipt of a complete application, the Community Development Department will schedule a public hearing for review by the Planning Commission.

Timing: Public hearings are scheduled for the Planning Commission on the 2nd and 4th Mondays of each month. Complete applications must be submitted to the Community Development Department at least thirty (30) days prior to the scheduled meeting to allow publication of hearing notice. The Community Development Department will publish notices in the *Prior Lake American* and notify the applicant and other affected property owners of the date and time the proposal will be heard by the Planning Commission. The City will also post a sign on the subject site identifying the proposed application.

Staff Report: The Community Development Department will prepare a staff report which: 1) explains the request; 2) reviews the policies for approving an amendment as contained in the Zoning Ordinance and how the proposal relates to those policies; and 3) provides a recommendation.

Hearing: A public hearing will be held by the Planning Commission. The Commission will review the staff report and hear from the applicant. Public testimony on the request will also be taken. The Planning Commission, after reviewing all of the information, will make a recommendation to the City Council on the application based on findings addressing the relationship of the proposed amendment to the policies outlined in the Comprehensive Plan and the guidelines established by the Metropolitan Council.

Applicants are invited to use the overhead projector provided, and the exhibits prepared by Staff. Any additional exhibits submitted by the applicant (at the hearing or prior to the hearing) such as photographs, petitions, etc. must be entered into the public record and submitted to the Community Development Department for the file.

City Council Review: The City Council will review the application and the recommendation of the Planning Commission, along with the record of the public hearing and other pertinent information. **The City Council review of this application is not a public hearing, and the Council may or may not choose to hear testimony. In any case, no new evidence may be introduced to the City Council following the close of the public hearing.**

If the City Council approves the proposed amendment, a resolution approving the amendment will be forwarded to the Metropolitan Council for its approval. The resolution shall be effective upon approval by the Metropolitan Council.
