The letter of credit shall reference the Development Contract and be in an amount sufficient to insure the provision or development of improvements called for by the Development Contract.
2. **Operating and Maintenance Requirements for Common Areas.** If certain land areas or structures within the PUD are designated for recreational use, public plazas, open areas or service facilities, the owner(s) of such lands shall execute appropriate documents in a form acceptable to the City which assure the continued operation and maintenance of such areas or facilities. These common areas may be placed under the ownership and control of the Landlord; or of Homeowners' Association, if all of the following conditions are met:
 - The Homeowners' Association must be established prior to the sale of any property in the PUD.
 - Membership must be mandatory for each owner and successive buyer.
 - The open space restrictions must be permanent.
 - The association must be responsible for liability insurance, taxes and maintenance.
