# PRIOR LAKE ROAD CONSTRUCTION

This summer, Highway 13, Duluth Avenue, and County Highway 21 will all be reconstructed. Duluth Avenue construction began in Mid-April and will end in late July. Highway 13 construction began May 13 and will end in October. The 13-21 intersection and downtown area construction will begin in late June and end in November. These stages will be further broken down into sub-stages. Each sub-stage will be closed to traffic while under construction and reopened once complete.

Traffic will be detoured during construction. Highway 13 traffic will be detoured to Marschall Road and County Road 42. County

Highway 21 traffic will be detoured via Texas Avenue, County Road 42, and connecting roads to the north and south. Access will still be maintained for those traveling to residences, businesses, and other local destinations. Detour signage will be in place to guide you to your destination.

To stay up to date during construction, residents can reach out to the project email ([movingforward13-21@bolton-menk.com](mailto:movingforward13-21@bolton-menk.com)) or hotline (612-357-7270) with questions. Updates will also be posted weekly on the website, via email blasts, and through Facebook posts. Sign up for project updates on the website at [www.movingforward13-21.com](http://www.movingforward13-21.com).

## Free Shoreline Workshop

If wave action, ice heaves and lack of buffers along your shoreline are causing it to shrink, you can stop the destruction. The Scott Soil and Water Conservation District is hosting a free shoreline workshop. The workshop is an opportunity to learn how to protect and stabilize the area between your lawn and the lake. Free technical assistance to help design your project and up to 50% of the cost of materials and installation may be available! Register at [scottswcd.org](http://scottswcd.org) or by calling the Scott SWCD office at 952-492-5425.

**When:** June 11, 6:30-8 p.m.

**Where:** Spring Lake Town Hall, 20381 Fairlawn Ave, Prior Lake

## Quick Tree Placement Guidelines

Here are a few guidelines to remember when placing trees around your property:

- As a general rule divide the mature spread of the tree in half and try and keep it that far away from structures or adjacent trees of a similar size.
- Be sure to place trees at least 12-20' from your house depending on the size of the tree.
- Place trees at least 3-4' away from sidewalks, patios, etc.
- Place trees about 10-30' apart from each other (depending on the size of the trees).
- Do not put trees in easements.
- Do not plant trees in straight lines unless they are in the parkway or part of a windbreak. Natural spacing is preferable.
- Mulch is much better than rocks around trees.
- Think about views from inside your house out to the yard, and place trees accordingly.
- Do not place trees under utility lines that will grow taller than the height of the line.
- Use a diverse assortment of trees in your yard.
- Keep in mind how fast the tree will grow and plan accordingly.

## Prior Lake Drinking Water Results

The City of Prior Lake recently issued the results of monitoring done on its drinking water for the period from Jan. 1 to Dec. 31, 2018 to advance consumers' understanding of drinking water and heighten awareness of the need to protect precious water resources. Call (952) 447-9894 with questions about the City's drinking water or for public participation opportunities that may affect the quality of the water. View report at [cityofpriorlake.com/documents/drinking2018.pdf](http://cityofpriorlake.com/documents/drinking2018.pdf).

## City Code Reminders: Cut Back Tree Limbs and Bushes from Sidewalks

City Code 602.300

All limbs of trees which are less than twelve feet above the surface of any street or sidewalk.

Any fallen tree or tree limb located on a street, sidewalk or boulevard and any tree which obstructs free passage of pedestrian or vehicle traffic.

TO REPORT VIOLATIONS:  
Code Enforcement  
Officer Dale Stefanisko  
(952) 447-9811

## Remove Grass and Leaves from the Street

601.201 No person shall throw or deposit litter in or upon any street, this includes leaves and grass clippings. Residents could receive up to a \$1,000 fine if they don't remove grass clippings and leaves from the street in front of their house.

## Tall Grass and Weeds (609.701):

Grass and weeds should be maintained to a height of 12 inches or less. It is the responsibility of the owner, lessee or tenant of the property to trim any grass and weeds. This ordinance is enforced from April through October of each year.

## Live on a Lake?

Save money on your water bill by watering your lawn with lake water. The Prior Lake-Spring Lake Watershed District is offering cost-share funds to cover 50% of the cost of a lake irrigation pump, up to \$150. Cost-share applications can be found at [www.plslwd.org](http://www.plslwd.org) and must be received BEFORE the purchase of your pump.

## RECS QUEST is back June 17

The Prior Lake Recreation Department's mascot Recs has waddled away from City Hall and is on the loose! We need your help finding him. Here's what we need you to do:

1. Go to Prior Lake City Government's Facebook page Monday-Thursday for a new clue each day!
2. Find Recs, take a photo with him and email it before noon each Friday to [recreation@cityofpriorlake.com](mailto:recreation@cityofpriorlake.com). Recs will return from his hiding spot Fridays before 9 a.m.
3. One winner will be chosen that Friday for a wonderful prize!

Post me on the fridge!
